Sir,

With reference to your letter No. 732/Ml.61-12-2 dated the 22nd July 1912, re the entertainment of a peon and a sweeper for the new Vegetable Market at Akkipet, I have the honour to state as follows -

1. The annual income from the market is likely to be Rs. 1,300-0-0.
2. The necessity for the employment of a peon does not necessarily depend upon the extent of income. As the distance between the new Akkipet market and the City vegetable market is nearly a mile, a separate peon is very necessary to look after the former.
3. The new market cannot be conserved by the existing staff as the market will have to be constantly swept and kept clean, being a vegetable market.

I therefore request that the recommendation made by the Council be kindly sanctioned.

I have the honour to be
